**Beverly Hills, MI--** The Road Commission for Oakland County (RCOC) will host a public information meeting about the widening of Baldwin Road in Orion Township on Wednesday, June 7, from 4 p.m. to 7 p.m.

The meeting will take place at Waldon Middle School, 2590 Waldon Road (between Baldwin and Joslyn roads) Orion Township. The meeting will be open-house format -- there will be no formal presentations. RCOC staff will be present to answer questions throughout the public meeting.

The project will take place in two phases. Phase I is scheduled to start in July and be completed in November 2018.

It includes the section of Baldwin between Morgan and Gregory, and will include reconstructing the road as a wide-median four-lane boulevard between Morgan and Judah and a five-lane road between Judah and Gregory. Roundabouts will be constructed at the Judah and Gregory intersections.
