RESURFACING WORK ON ORMOND ROAD FROM DAVISBURG TO NORTH OF WHITE LAKE ROAD IN SPRINGFIELD TOWNSHIP EXPECTED TO BEGIN AUG. 31

Beverly Hills, MI – The Road Commission for Oakland County (RCOC) resurfacing project on Ormond Road from north of White Lake Road to Davisburg Road in Springfield and White Lake townships is expected to begin Monday, Aug. 31, and be completed in early October.

During the work, the road will remain open to traffic with flaggers directing motorists in the work zones.

The \$1.13 million project will be paid for with a mix of federal funds and RCOC dollars. It will include paving with asphalt, guardrail replacement and new pavement markings.

The work is being done by Cadillac Asphalt of Clarkston. This section of Ormond Road carries approximately 3,000 vehicles daily.

For more information on RCOC road projects, visit: <http://rcocweb.org/189/Road-Projects>.
