Beverly Hills, MI – The Road Commission for Oakland County (RCOC) plans to begin resurfacing work on Fish Lake Road from Fenton Road to Elliot Road in Holly and Rose townships today (Tuesday, Oct. 13). Work will continue through approximately early November.

During the work, the road will remain open to traffic with flaggers directing motorists in the work zones.

The \$1.13 million project will be paid for with a mix of federal funds and RCOC dollars. It will include paving with asphalt, guardrail replacement and new pavement markings.

The work is being done by Cadillac Asphalt of Clarkston. This section of Fish Lake Road carries approximately 4,000 vehicles daily.
