

STATE OF MICHIGAN

SPECIAL TRIBUTE

To

ROAD COMMISSION FOR OAKLAND COUNTY

LET IT BE KNOWN, that it is with great pleasure we extend our appreciation and thanks to the workers of the Road Commission for Oakland County for all they have done maintaining the County's road infrastructure during the Coronavirus Pandemic crises in Michigan. The Road Commission's essential workers serve as outstanding examples of excellent stewardship of Oakland County's 2,700 mile road system and the 230 miles of State highways that they are responsible for.

As the State's largest road agency, the outstanding leadership team of Commissioner's Gregory Jamian (CH), Ronald Fowke, Andrea LaLonde, and Managing Director Dennis Kolar has navigated this agency through the crises of a pandemic while maintaining high levels of continued service to the residents of Oakland County. 2020 has tested our spirit and resilience. Following the outbreak of the novel coronavirus (COVID-19), most people retreated into their homes to decrease their chances of infection. However, the Road Commission's "Essential Workers" have done the opposite, remaining in the line of fire as they attempt to maintain and improve the County's road system so others could reliably travel upon safe, dependable roads, crucial to our region's infrastructure. We honor the County's essential road workers, who continue to support and sustain all of us through this pandemic. RCOC's essential workers have served us all with dedication and sacrifice.

The Road Commission for Oakland County has risen to this historic challenge and continues to excel and surpass expectations, confirming that RCOC remains the premier county road agency in Michigan. Let it be known to all those willing to forego their own safety and well-being in this crisis. We are eternally grateful for your contribution. We wish you safety and health as you forge ahead to get us to the other side of this pandemic. The State of Michigan is proud to recognize your great organization that has served our citizens of Oakland County and the State. We acknowledge and thank you for your critical service to the residents and businesses of Oakland County and to all the motorists traveling through the county.

IN SPECIAL TRIBUTE, Therefore, this document is signed and dedicated to honor and commend the Road Commission for Oakland County, and its workers and staff, as the States premiere Road Agency and for their excellent work in infrastructure and outstanding contributions to the state of Michigan. May the road and bridge builders, laborers, engineers, and all staff know of our admiration and warmest wishes for continued health and success.
