RCOC TO HOST PUBLIC MEETING ON FEB. 17 FOR ROCHESTER RD. RESURFACING PROJECT

Beverly Hills, MI – The Road Commission for Oakland County (RCOC) will host a public information meeting on Wednesday, Feb. 17, for the upcoming resurfacing of Rochester Road from Gerst Road to Bordman Road in Addison Township.

The public meeting is from 4 p.m.-7 p.m. at Leonard Elementary School, 335 East Elmwood St., Leonard. The meeting will be an open-house format, and there will be no formal presentations. RCOC staff will be present to answer questions throughout the public meeting.

The approximately \$2 million project will be 80 percent funded with federal dollars. The remaining amount will be covered by RCOC. The project includes:

- Crushing and reshaping the existing base of Rochester Road from Gerst Road to Bordman Road
- Resurfacing the road with six inches of asphalt
- Replacement of several culverts
- Improved drainage

Construction is expected to begin in summer 2016 and conclude late in 2016.

During construction, the road will be closed to through traffic; however, access to homes and businesses within the construction zone will be maintained at all times. The detour route for closure will be Leonard Road to Secord Lake Road to Bordman Road and back to Rochester Road and vice versa.
