HEIGHTS ROAD, FROM LAPEER (M-24) TO PINE TREE ROAD IN ORION TWP., EXPECTED TO CLOSE TO THROUGH TRAFFIC AUG. 16-18 FOR WORK ON STRUCTURES IN ROADWAY

Beverly Hills, MI – The Road Commission for Oakland County (RCOC), in partnership with Orion Township, will close Heights Road between Lapeer Road (M-24) and Pine Tree Road Aug. 16 through Aug. 18 for work on township sewer structures in the roadway.

The work involves adjusting township sanitary sewer structures and adding concrete around each. The concrete will need time to properly cure around each structure.

During the closure, access to homes and businesses within the closed section will be maintained.

The detour for through traffic is Lapeer Road (M-24) to Clarkston Road to Pine Tree Road, back to Heights Road and vice versa.

Heights Road, from M-24 to Joslyn Road, was recently paved through RCOC's preservation overlay program. The contractor, Cadillac Asphalt, is doing gravel restoration on the road shoulders today.

This section of Heights Road carries approximately 6,000 vehicles daily.
