

Proposed 2023 RCOC Road Improvement Projects (RIP)

Note: This is the 2023 project list as it will be presented at the Aug. 18 public hearing for the proposed RCOC 2023 budget.

This list includes only projects that are expected to be constructed in FY 2023, not those where only design or only right of way (ROW) acquisition work is planned for 2023. To avoid confusion over the project costs, the costs listed are the estimated annual contributions for each project and not the total project costs which may span multiple fiscal years.

| | |
|---|----------------------------|
| <u>Repair, Rehabilitate & Resurface</u> (repair road base/add 3 to 4 inches new asphalt) | <u>Project Cost</u> |
