

DUTTON ROAD TO CLOSE BETWEEN THE NORTH AND SOUTH LEGS OF LIVERNOIS ROAD JULY 24 FOR BRIDGE REPLACEMENT

The Road Commission for Oakland County (RCOC), in partnership with the City of Rochester Hills and Oakland Township, will close Dutton Road between the north and south legs of Livernois Road on the Rochester Hills/Oakland Township border on July 24 to replace the bridge over the Paint Creek.

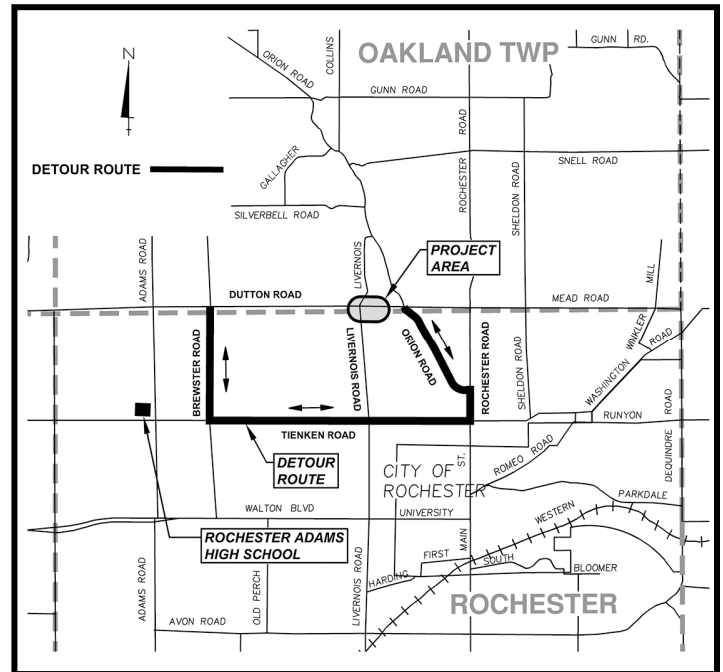

PROJECT DETAILS

The project will include:

- Replacement of the deteriorated Dutton Road bridge over the Paint Creek (between the east and west legs of Livernois) with a wider bridge that will accommodate pedestrians.
- Placement of curbs, gutters, guardrails and paved shoulders on the section of Dutton to be paved.
- The paved shoulder on the north side of Dutton Road will connect the existing Paint Creek Trail parking lot to the trail.

IMPACT ON TRAFFIC

- Dutton Road will be closed to through traffic between the north and south legs of Livernois Road during the project.
- During the closure, the detour route for through traffic will be Brewster Road to Tienken Road to Rochester Road to Orion Road and back to Dutton Road and vice versa.
- Access to homes and businesses with the construction zone will be maintained at all times, but the road will be completely closed at the bridge.

- The Paint Creek Trail will be closed at Dutton Road for two days in the fall of 2023 (dates to be announced).

SCHEDULE

- After closing July 24, the road is expected to remain closed until November.

PROJECT COST AND FUNDING

The project will cost approximately \$2.3 million and will be paid for with federal funds as well as RCOC and City of Rochester Hills dollars.
