WALDON ROAD BETWEEN SASHABAW AND CLINTONVILLE ROADS IN INDEPENDENCE TWP. EXPECTED TO CLOSE TO THROUGH TRAFFIC BEGINNING MAY 26

Beverly Hills, MI – The Road Commission of Oakland County (RCOC) expects to close Waldon Road between Sashabaw and Clintonville roads in Independence Township beginning May 26 through late June for a road resurfacing project.

Residential and business access will be maintained along Waldon Road throughout the work.

The detour for through traffic is Sashabaw Road to Maybee Road to Clintonville Road, back to Waldon Road and vice versa.

The resurfacing work is funded mainly through an Independence Township road millage. The closure is necessary for the removal of the current pavement, grading/gravel work on the road's base and paving with asphalt.

The contractor for the project is Cadillac Asphalt of Clarkston. Waldon Road carries approximately 12,000 vehicles daily.

For more information and a list of all roads to be improved through the Independence Township road millage, visit: <http://rcocweb.org/500/Independence-Township-Road-Improvement-M>.
