

**PROJECTS THAT COULD DELAY TRAFFIC ON RCOC ROADS DECEMBER 29-JANUARY 6**

**Beverly Hills, Mich.** — The following projects may cause traffic delays on Road Commission for Oakland County (RCOC) roads between December 29 and January 6.

It is RCOC’s goal to conduct road improvement projects in a way that interferes with traffic as little as possible. This list includes both Road Commission projects and projects conducted by others, under permit, on roads under the jurisdiction of the Road Commission.

Please note: This information is subject to change. Projects can change from day to day, and traffic delays can develop in a matter of minutes due to weather, emergency situations, etc.

The project list is attached.
