

## 2021 RCOC Road Improvement Projects (RIP) (As of 04-06-21)

This list includes only projects that are expected to be constructed in 2021, not those where only design or only right of way (ROW) acquisition work is planned for 2021. To avoid confusion over the project costs, the costs listed are the estimated annual contributions for each project and not the total project costs which may span multiple fiscal years.

### Widening

- Baldwin Road, Morgan to Gregory in Orion Twp. (widen to 4-lane boulevard/5-lane road; completion of project mostly constructed in previous years) **Project Cost**  
\$ 1.5 million
